

NITR \Rightarrow X

Software Technology Corp

Development and selling of software for or automation of trading processes.

It is not an investment company and doesn't accept money in trust.
All client funds are held exclusively in their brokerage and exchange accounts.

Why financial trading

Money is the best-selling product in the world. People always want to buy more money for less money.

Trading in financial markets allows you to do this as quickly and profitably as possible.

Disclaimer:

Trading in financial markets is a highly risky activity. Do not trade with leveraged or last money.

Trading in financial markets is associated with a high psychological stress.

Automated trading is not subject to emotions and steadily follows a given strategy.

82% of profitable transactions in the global financial markets are performed by robots.

EVA

Self-learning neural network EVA

EVA is a unique development of Nitrex Company.

EVA analyzes the work of Trading Systems and after learning from the history of real trades, opens and accompanies positions in the market as accurately as possible.

EVA reduces the risks and increases the profitability of Trading Systems.

Product line of the Company

NFX Ultra

— is an automated Trading System for the Forex market

NCR 30

— is an algorithm for creating and auto-rebalancing a crypto portfolio

TethMaker

— is an automated trading system for spot trading in the cryptocurrency market

The validity period of the product is not limited. Free activation is available with GAS Fee of 50% of income and paid activation with GAS Fee up to 20%.
NCR30 - 20 USDT for rebalancing with free activation with a reduction to 5 USDT with paid activation.

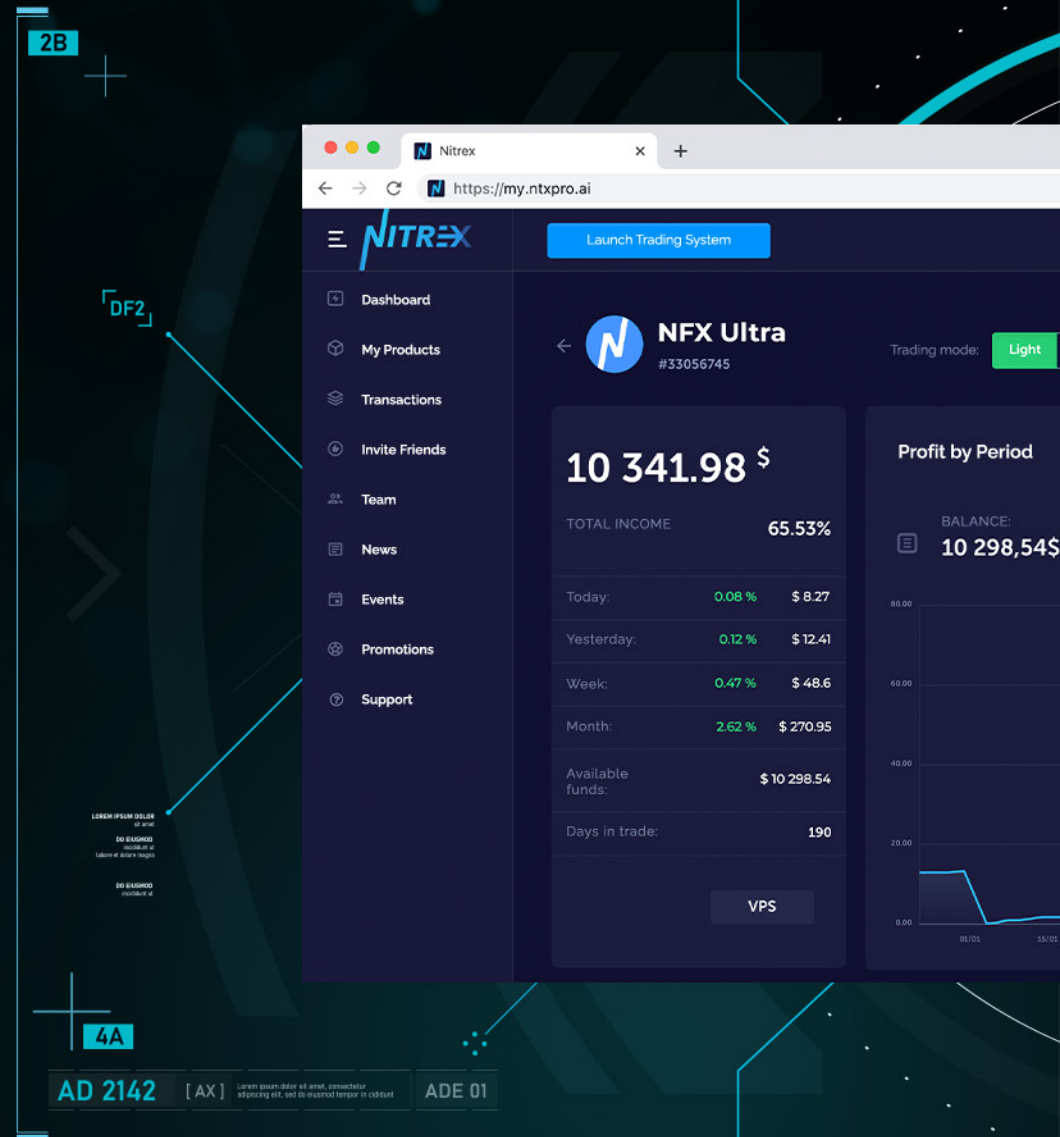

NFX Ultra

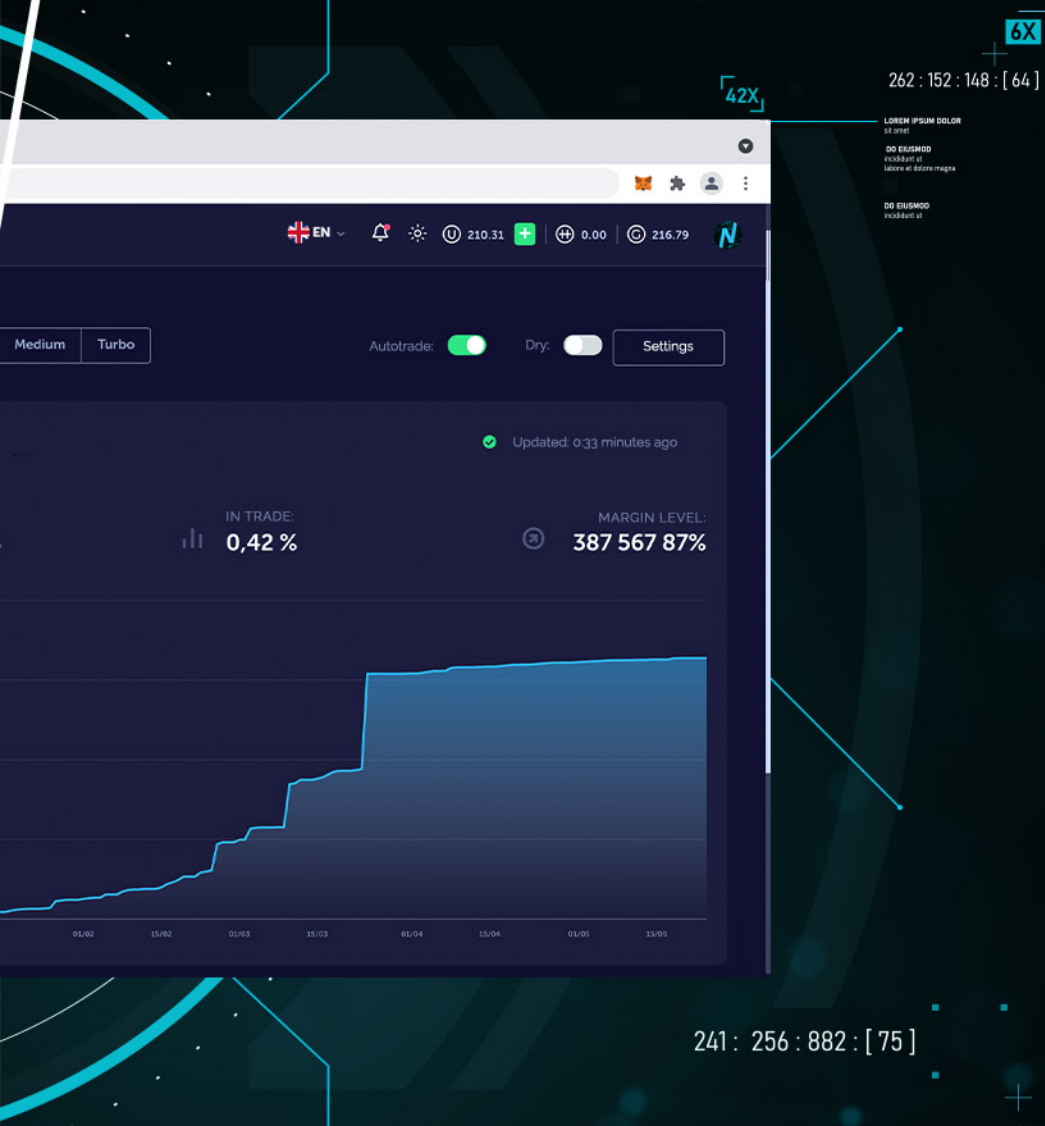

Trading System for the Forex market

The system is based on determining the phases of the market and the behavior of a major trading participant.

By analyzing patterns and signals, the Trading System automatically determines the market entry and position closing stage, fixing the maximum possible profit.

In the process of trading, the TS processes more than **1,2 million** signals, training the EVA neural network and with each new order creates an increasingly accurate model of the neural network behavior.

NFX Ultra

- » Cost: **\$ 225** / \$ 157 *

157 USDT ~~225 USDT~~

Professional Pack

A wholesale package of license keys for activating the Company's products for professionals.

The package includes **10 Booster keys**.

All 10 keys will be available in the "**Keys**" section of the main site menu after payment is received.

The validity period of the keys is not limited.

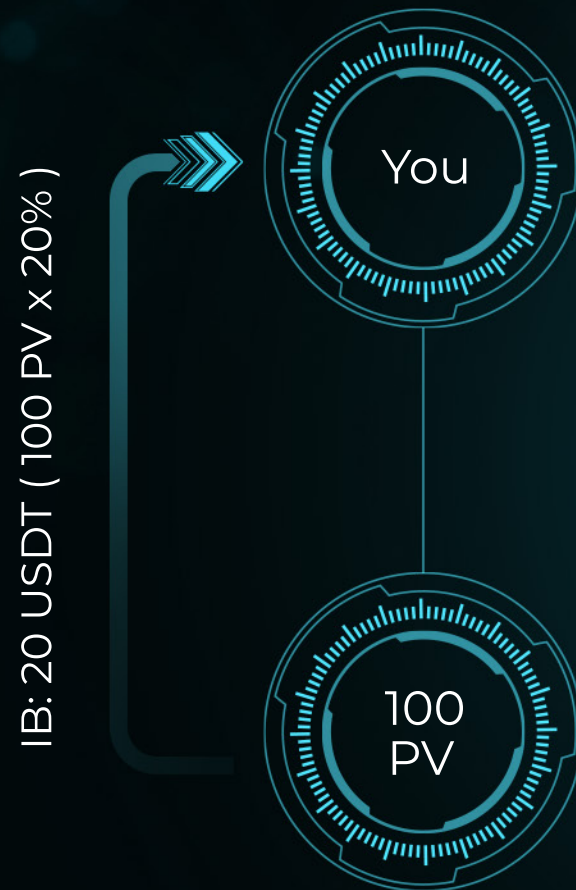

997 USDT ~~1425 USDT~~

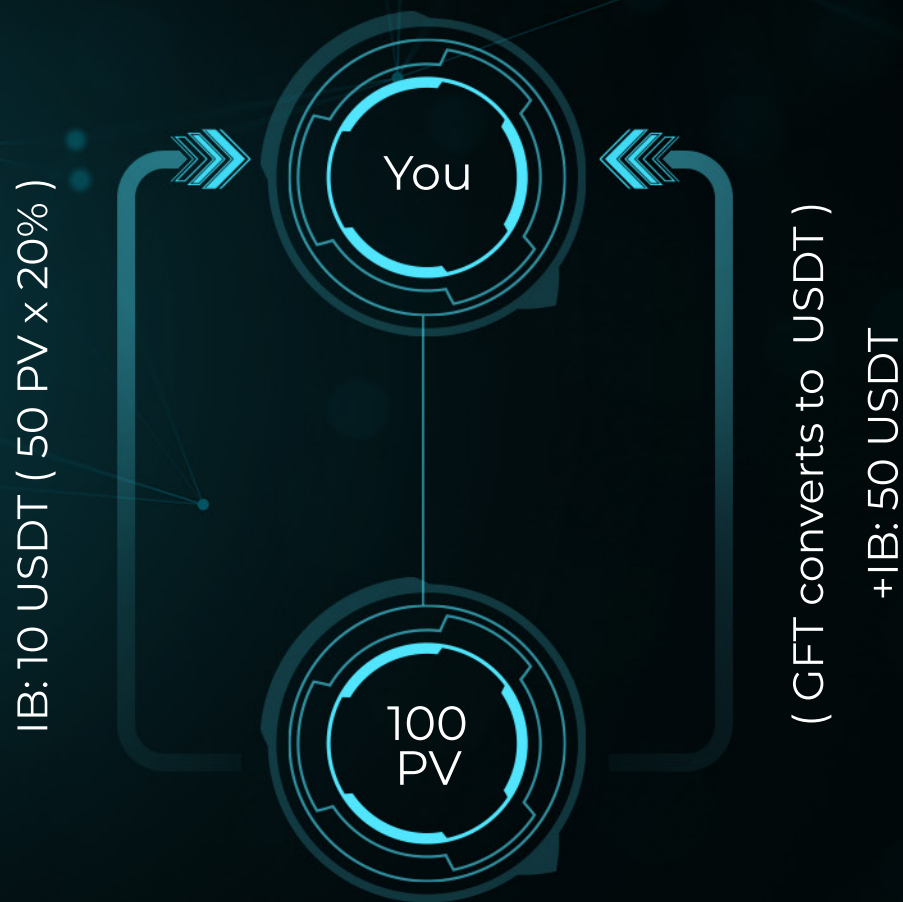

Invite Bonus (IB)

— bonus for personal recommendation of products, ntxpro.ai service.

20% of the PV * volume of the recommended tariff plan and **GAS Fee**.

* Each payment of 1.57 USDT gives 1 PV in turnover, for the calculation is rewarded.

Invite Bonus + (IB +)

— increased bonus for personal recommendation converting GFT into Invite Bonus up to 50% of PV volume.

It is activated additionally in the GFT section of your personal account.

The PV amount participating in IB + is not factored into total commodity turnover of the extended partner program.

IB and IB+ bonuses are not mutually exclusive and are accrued simultaneously, herewith IB+ reduces the calculated PV for IB by 50%

Rank Bonus (RB)

RB is incombustible and accumulates throughout the entire period of activity of the user's affiliate program for any turnover in PV that has passed in the user's client network.

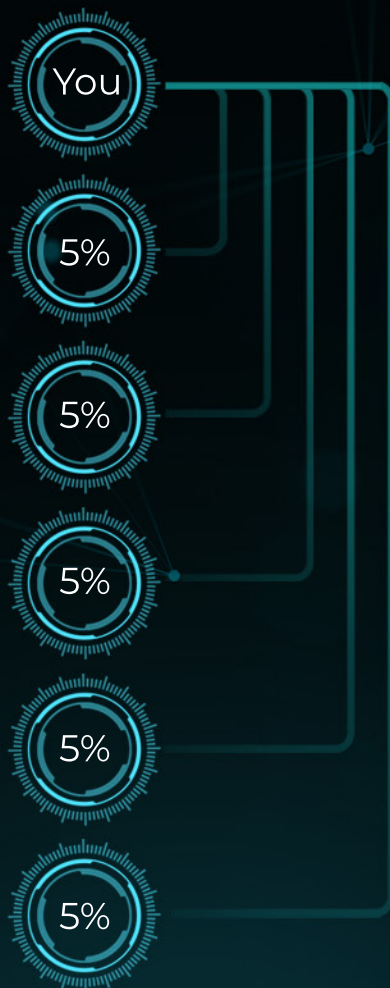

The difference in the RB percentage is paid among members of the extended affiliate program from the bottom up.

Qualification*	Commodity turnover in PV	Rank Bonus %	Income
Start	100	20	≈ \$20
Assistant	500	23	≈ \$50
Head Assistant	1 000	26	≈ \$100
Manager	2 000	29	≈ \$200
Head Manager	5 000	32	≈ \$500
Supervisor	10 000	35	≈ \$1 000
Head Supervisor	30 000	38	≈ \$3 000
Master	100 000	40	≈ \$10 000
Head Master	300 000	42	≈ \$30 000
Executive	1 000 000	44	≈ \$100 000
Founder Executive	3 000 000	46	≈ \$300 000
Consul	10 000 000	48	≈ \$1 000 000
Founder Consul	30 000 000	49	≈ \$3 000 000
Ambassador	100 000 000	50	≈ \$10 000 000
Founder Ambassador	300 000 000	51	≈ \$30 000 000

* The qualification is awarded on condition that the group turnover does not exceed 30% in the largest branch.
 Quarterly bonus (QB) - Quarterly bonus for qualifications held for three months quarter. In the accrual of QB, take participation of qualifications from Master and higher.

Matching Bonus (MB)*

— income from the income of the participants of the affiliate program is up to 5% up to 5th depth. It is calculated from the sum of Invite and Rank bonuses.

Example 1.

There are 20 partners in your network in 5 levels with an income of \$ 500 / month. Your Matching bonus will be $\$ 500 * 5\% * 20 = \$ 500$ per month.

Example 2.

There are 100 partners in your network in 5 levels with an income of \$ 1,000 / month. Your Matching bonus will be $\$ 1,000 * 5\% * 100 = \$ 5,000$ per month.

Example 3.

There are 1,000 partners in your network in 5 levels with an income of \$ 1,000 / month. Your Matching bonus will be $\$ 1,000 * 5\% * 1,000 = \$ 50,000$ per month.

* Condiciones de apertura de Matching Bonus:

2 registros en la primera línea de BOOSTER con el Sistema Comercial activado abren Matching Bonus en la 1 profundidad por 1%;
5 registros en la primera línea de BOOSTER con el Sistema Comercial activado abren Matching Bonus en 3 profundidades por 3%;
10 registros en la primera línea de BOOSTER con el Sistema Comercial activado abren Matching Bonus en 5 profundidades por 5%
